Our Program

At [Spark the Change Colorado](#), we spark change and inspire a movement of good through the power of volunteerism, service and civic engagement.

Each year, [The Mental Wellness Program](#) connects over 7,000 individuals to free counseling and mental health services in their communities.

In 2023 so far, the Pueblo area program has served [365 Youth](#) & [313 Adults](#) and volunteers have served [450 Hours](#) within the Pueblo community.

We run support groups in Pueblo for domestic assault survivors, the LGBTQAI+ community, seniors, youth, families, and men recovering from addiction. Your contribution has a direct impact on the lives of Puebloans seeking free or reduced mental health services. [Give today!](#)
