

FOR NONPROFITS

At Spark, we strive to make volunteerism and community service as simple as possible. The more nonprofits who are able to effectively engage volunteers across the state, the better! That's why we offer a variety of services FREE to nonprofits. Interested in a little more support in elevating YOUR impact? We offer additional services for a set rate that lend support in volunteer engagement, recruitment, and training.

FREE

Get Connected

We partner with **Galaxy Digital** to provide the **Get Connected** platform **free to Colorado nonprofits!** Get Connected is an online volunteer database where nonprofits can create a detailed organization profile and post unlimited volunteer & board opportunities. Whether you're recruiting volunteers for a one-time event or long term, **this is the place for you!** Volunteers across the state have a one-stop-shop to search and sign up for your opportunities. **Use Get Connected to track volunteer hours, access to Sterling background checks, and more.**
